This Memorandum of Understanding (MOU) is made on 18th Day of July, 2021 at New Delhi

BETWEEN

Dhote Bandhu Science College affiliated to **RashtraSant Tukdoji Maharaj University, Nagpur**, having its campus at Railtili, Kudwa Road, Gondia, Maharashtra of the ONE PART.

AND

Food Industry Capacity & Skill Initiative, registered under the Societies Registration Act, 1860 having its office at 601, 6th floor, Mercantile House, Kasturba Gandhi Marg, Connaught Place, New Delhi – 110001, on the OTHER PART

Dhote Bandhu Science College and **FICSI** shall here after be collectively referred to as "Parties" and reference to "Party" shall mean **FICSI** or **Dhote Bandhu Science College**, as the case may be.

WHEREAS:

Dhote Bandhu Science College located at Gondia Dist. Gondia, Maharashtra and under **RashtraSant Tukdoji Maharaj University, Nagpur** recognized under Section 2 (f) of the UGC Act. The college strives to impart skill based quality education and promote research driven advancement of knowledge for creating successful professionals.

Food Industry Capacity & Skill Initiative (FICSI) is the Sector Skill Council for the "Food Processing" Sector and has been formed under the aegis of the National Skill Development Council (NSDC) and Federation of Chambers of Commerce of India (FICCI) as an initiative to promote skill development. FICSI functions as an autonomous body and its main charter/objectives are as under:

- Identify the skill development needs of the "Food Processing" Industry.
- Set National Occupational Standards (NOS).
- Approve curriculum for training.
- Execute "Train the Trainer" programmes.
- Accredited Training Institutes imparting training in "Food Processing" related job roles.
- Set assessment and certification processes.
- Establish Labour Market Information System (LMIS).
- Undertake research to identify future needs.

This MoU is intended to outline the general framework for collaboration between the Parties for running skill based program in food processing in various subsectors of food processing for creating trained manpower specially for MSME as well as for startups and Entrepreneurship. The initial goal of this

memorandum of understanding is to outline and describe certain of the respective goals, strategies and objectives, as the case may be, as well as the intent of the parties to conduct collaborative activities to establish and promote a mutually beneficial relationship. As such, the actual details of each specific collaboration and/or transaction will be determined by mutual agreement of Parties.

BOTH PARTIES mutually agree to conduct the following activities:

A. Training programme as per National Skill Qualification Framework (NSQF)

Dhote Bandhu Science College will impart skilling in Food Processing based on FICSI's Qualification Pack (QP) as part of the course curriculum for the students. In this regard, college must have UGC approval to start the course.

B. Assessment & Certification

FICSI will conduct Assessment & certification of students trained under different skill-based training programs of Dhote Bandhu Science College aligned to FICSI QPs.

C. Train the Trainer

FICSI would organize 'Train the trainers' programme on the QPs developed by FICSI in collaboration with the institute.

D. Development of Occupational Standards, Curriculum, Learning materials

FICSI is involved in the development of National Occupational standards, Qualification Packs, Curriculum & Course Content for the various segments of Food Processing. It may support the institute in development of course curriculum related to skill-based program in food processing as per guideline and institute will also support FICSI with its technical expertise to develop and validate QP, curriculum and course content.

E. Collaborative Efforts for furthering in skilling

Institute will teach NSQF aligned job-roles under the skill component and this will include on-the-job training/ Apprenticeship / practical classes in laboratories / workshops / internship which will give candidate a better exposure in the job market. FICSI has already developed a job portal for such candidates where candidates' information can be shared with the industry for placement purpose. (College name) will share the information of eligible students to feed into the job portal.

F. Manpower & Infrastructure required

The existing infrastructure and manpower of the Parties will be used for the implementation of the collaborative activities to the extent agreed by each party. Within 30 days, both Parties will nominate a Liaison Officer for coordinating the collaborative activities.

G. Duration of MoU

This memorandum of understanding shall be deemed to have come into force w.e.f the date of signing and shall remain in force for 3 years.

H. Entire agreement

This MoU shall constitute of the entire understanding between the Parties with respect to the subject matter hereof and supersede all prior agreements or understandings of the Parties relating thereto.

I. Amendments

No modifications or amendments of any terms or conditions of this understanding shall be effective unless made in writing and signed by the authorized representatives of the parties

J. Arbitration / Dispute Settlement

In case of any dispute that may arise during or after project execution, the matter would be settled mutually.

K. Notices

All notices required or permitted by, or made pursuant to this MoU shall be in writing and sent by registered post to the following address:

For **FICSI** - FICSI, 601, 6th floor, Mercantile House, Kasturba Gandhi Marg, Connaught Place, New Delhi - 110001

L. Implementation

The parties shall review the Implementation and the application of this MoU through a joint committee in every 3 months alternatively. This Implementation Committee shall meet as required at either of parties work places.

M. Assignment

This MoU is based on the professional competence and expertise of each party and hence neither party shall transfer or assign this MoU or rights or obligations arising hereunder, either wholly or in part, to any third party.

N. General Provisions

1. The parties shall bear their respective costs of carrying out the collaborative activities envisaged under this MoU. Neither party shall make a claim against the other party for any expenditure, unless such expenditure has been agreed upon in writing between the parties.

2. Either party reserves the right to terminate this MoU subject to 60 days prior written notice to the other party hereto. Any program or activity that was already commenced shall survive the termination of this MoU and be completed to the best of both parties abilities pursuant and subject to the terms of this MoU.

O. Non - exclusivity

The relationship of the parties under this MoU shall be non-exclusive and both parties are free to pursue other agreement or collaboration of any kind. However, when entering into a particular research agreement which may have some elements of existing FICSI - Dhote Bandhu Science College collaboration, then the participants may agree limit each party's right to the collaborate with other on that subject.

This MoU has been executed in two originals, one of which has been retained by Dhote Bandhu Science College and other by FICSI.

In witness whereof, the parties have executed this MoU and represent that they approve, accept and agree to the terms contained herein.

(Extension Activity)

To create awareness of HIV/AIDS among the youth

INTRODUCTION

India has one of the largest numbers of people living with HIV/AIDS in the world. Twenty one lack people are estimated to be living in the country with HIV/AIDS. HIV is driven by a number of socioeconomic factors; therefore, health interventions alone are not sufficient to address cause and consequences of the epidemic. It requires multi-sectoral response. Mainstreaming approaches to HIV have increasingly gained ground with realization that the non-health sector can play an important and meaningful role in reducing vulnerability to HIV and mitigating its impact on those infected and affected.

Dhote Bandhu Science College, Gondia and District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia are hereinafter referred to together as “the parties”.

ARTICLE: 1

DHOTE BANDHU SCIENCE COLLEGE, GONDIA

Dhote Bandhu Science College, Gondia at its various science departments is charged with responsibility of training students and creating awareness in various frontline areas of importance for nation and is also contributing to the rapid growing scientific knowledge by undertaking research.

ARTICLE: 2

DISTRICT AIDS PREVENTION AND CONTROL UNIT (DAPCU), KUWAR TILAKSINGH DISTRICT GENERAL HOSPITAL, GONDIA

Department of AIDS control is nodal agency for coordinating response with respect to HIV / AIDS in India. The National Aids Control Programme is implemented in states and union territories. The District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia plays a role in mainstreaming HIV by: a) testing of blood samples for HIV/AIDS b) creating awareness in society about prevention and services by organizing various programmes among peoples and c) facilitate social entitlements and social protection of people infected and affected with HIV/AIDS, etc.

ARTICLE: 3

RATIONALE FOR MAINSTREAMING HIV / AIDS

Youth as a group is considered more vulnerable to HIV due to low awareness, risk taking behavior and tendency to experiment. Youth lays foundation for responsible sexual behaviors in adult life. The youth in India comprises 25 percent of countries population. The rising trends of HIV are observed in some states. In youths the HIV prevalence is equal in both the sexes. This specifically point out the need to reach the youth to empower them.

Therefore, Dhote Bandhu Science College, Gondia and District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia agree to sign Memorandum of Understanding (MOU) for training of college students to create awareness in community about HIV/AIDS prevention and control for accelerating the reversal and mitigating the impact of HIV/AIDS.

ARTICLE: 4

OBJECTIVE OF MOU

To prevent the spread of HIV infection among the youth through inclusion of youth specific information and services.

ARTICLE: 5

ROLE AND RESPONSIBILITY

Joint Role and Responsibility:

- Conduction of Training Programs on 'HIV/AIDS test' for faculty, staff, students of the Institution.
- Contribution of staff time, in-kind contributions of space and materials for the delivery of the programs
- Cooperation in organizing Extension & Awareness Programs jointly.

Role of Dhote Bandhu Science College, Gondia:

- Contribute the infrastructure facility like space/laboratory and materials for the delivery of the programs if required.
- Plan the Extension Activities and to hold the responsibility of reaching the target areas along with students

Role of District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia:

- Provide trained staff, resources and infrastructure required for training of students and teachers

- Cooperate in organizing the Extension Activity by visiting the target area along with the participating students.

ARTICLE: 6

EXECUTION OF MOU

- Parties agree to collaborate and work closely for fulfillment of objective set in the MOU.
- Both the parties would consult each other and review progress of MOU on annual basis.
- This MOU will commence on 1st December, 2019 and will dissolve on 1st December, 2021.
