Webinar organised at D B Science College on World Environment Day

District Correspondent
GONDIA, June 7

DHOTE Bandhu (D B) Science College celebrated World Environment Day by organizing one-day webinar on 'Conservation Strategies and Wetlands of Gondia District'.

Pradip Patil, Assistant Conservator of Forest, addressed the gathering. He threw light on forests of Gondia district and importance of people's participation in conservation activities. He said that about 49 percent of forest area of Gondia district was rich in biodiversity but there is need to protect and conserve the rich flora and fauna, suggesting his views for the protection.

Pradip Patil, Assistant Conservator of Forest, addressing the webinar.

He also informed about the compensations for villagers which is given by the forest department against the damages caused to them due to wild animals.

Rupesh Nimbarte, President, Hirwal Multipurpose Society, gave detailed information about wetlands of the district and explained importance of restoration of wetlands.

Technical session was followed by questionnaire session in which queries were explained in details by eminent speakers.

The programme was organised under the guidance of Principal Dr Anjan Naidu. In his inaugural address, Dr Naidu encouraged students for their maximum participation in restoring activities.

Vice-Principal Prof Sanjay Timande, Dr Dilip Choudhary, IQAC Coordinator, Dr Mahesh Kawle, Head Botany and Dr Prashant Shahare extended their valuable cooperation for the webinar.

The webinar was coordinated by Dr K P Ghoshal while student Bhagyashree Lanjewar proposed a vote of thanks.

followed by questioner session. About 300 students and 15 staff members participated in the Program. The program was organized under the able guidance of our Principal Dr. P.A. S Naidu, Vice-principal Prof Sanjay Timande, IQAC Coordinator Dr D. S. Choudhary, Dr. M.V. Kawle Head Department of Botany, Dr. P. C. Sahare, and other was prominently present. ABOUT ECO CLUBS

"Every little steps count; we have made a small beginning."

Eco-club of the college was established in the year under the guidance of Principal, **Dr. Anjan Naidu** with presently, **Dr. Dr. Ajay Ghatole** as the convenor of the club.

Around students are registered as members of the club as today students today are concerned about the environment.

It is a voluntary group which promotes the participation of students in learning about, and improving their environment.

A Eco Club is a means by which students can organize themselves to learn more about this issue, and also take action to improve their immediate environment.

For teachers, it is a wonderful opportunity to create awareness, build attitudes and help students take up activities in real world, in a way in which the constraints of the classroom and curriculum will not allow.

The motto of the club is

"Learn & Serve to Conserve"

OBJECTIVES OF ECO CLUB

Between

District AIDS Prevention and Control Unit (DAPCU),

Kuwar Tilaksingh District General Hospital, Gondia

&

Dhote Bandhu Science College, Gondia

For:-

(Extension Activity)

To create awareness of HIV/AIDS among the youth

INTRODUCTION

India has one of the largest numbers of people living with HIV/AIDS in the world. Twenty one lack people are estimated to be living in the country with HIV/AIDS. HIV is driven by a number of socioeconomic factors; therefore, health interventions alone are not sufficient to address cause and consequences of the epidemic. It requires multi-sectoral response. Mainstreaming approaches to HIV have increasingly gained ground with realization that the non-health sector can play an important and meaningful role in reducing vulnerability to HIV and mitigating its impact on those infected and affected.

Dhote Bandhu Science College, Gondia and District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia are hereinafter referred to together as "the parties".

ARTICLE: 1

DHOTE BANDHU SCIENCE COLLEGE, GONDIA

Dhote Bandhu Science College, Gondia at its various science departments is charged with responsibility of training students and creating awareness in various frontline areas of importance for nation and is also contributing to the rapid growing scientific knowledge by undertaking research.

ARTICLE: 2

DISTRICT AIDS PREVENTION AND CONTROL UNIT (DAPCU), KUWAR TILAKSINGH DISTRICT GENERAL HOSPITAL, GONDIA

Department of AIDS control is nodal agency for coordinating response with respect to HIV / AIDS in India. The National Aids Control Programme is implemented in states and union territories. The District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia plays a role in mainstreaming HIV by: a) testing of blood samples for HIV/AIDS b) creating awareness in society about prevention and services by organizing various programmes among peoples and c) facilitate social entitlements and social protection of people infected and affected with HIV/AIDS, etc.

ARTICLE: 3

RATIONALE FOR MAINSTREAMING HIV / AIDS

Youth as a group is considered more vulnerable to HIV due to low awareness, risk taking behavior and tendency to experiment. Youth lays foundation for responsible sexual behaviors in adult life. The youth in India comprises25 percent of countries population. The rising trends of HIV are observed in some states. In youths the HIV prevalence is equal in both the sexes. This specifically point out the need to reach the youth to empower them.

Therefore, Dhote Bandhu Science College, Gondia and District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia agree to sign Memorandum of Understanding (MOU) for training of college students to create awareness in community about HIV/AIDS prevention and control for accelerating the reversal and mitigating the impact of HIV/AIDS.

ARTICLE: 4

OBJECTIVE OF MOU

To prevent the spread of HIV infection among the youth through inclusion of youth specific information and services.

ARTICLE: 5

ROLE AND RESPONSIBILITY

Joint Role and Responsibility:

- Conduction of Training Programs on 'HIV/AIDS test' for faculty, staff, students of the Institution.
- Contribution of staff time, in-kind contributions of space and materials for the delivery of the programs
- Cooperation in organizing Extension & Awareness Programs jointly.

Role of Dhote Bandhu Science College, Gondia:

- Contribute the infrastructure facility like space/laboratory and materials for the delivery of the programs if required.
- Plan the Extension Activities and to hold the responsibility of reaching the target areas along with students

Role of District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia:

- Provide trained staff, resources and infrastructure required for training of students and teachers

- Cooperate in organizing the Extension Activity by visiting the target area along with the participating students.

ARTICLE: 6

EXECUTION OF MOU

- Parties agree to collaborate and work closely for fulfillment of objective set in the MOU.
- Both the parties would consult each other and review progress of MOU on annual basis.
- This MOU will commence on 1st December, 2019 and will dissolve on 1st December, 2021.
- In case, there be a dispute relating to any aspect of cooperation, District AIDS prevention and control unit (DAPCU), Kuwar Tilaksingh District General Hospital, Gondia and Principal, D. B. Science, College, Gondia will resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

In witness whereof parties here to have entered into this agreement effective as on the date and year first written above.

Celebration of International Youth Day by organizing Seminar Competition on Myth and Facts of AIDS, Youth & HIV/AIDS and Prevention, Cure and Awareness about HIV/AIDS dated 12th August 2020.

DHOTE BANDHU SCIENCE COLLEGE, GONDIA CELEBRATES INTERNATIONAL YOUTH DAY

Red Ribbon Club (RRC) and Department of Microbiology and Biotechnology of Dhote Bandhu Science College, Gondia celebrated International Youth Day on 12th August, 2019 in presence of sixty students of college. Under the guidance of Principal Dr. Anjan Naidu and Head of the Microbiology and Biotechnology department Prof. Sanjay Timande, Coordinator of Red Ribbon Club (RRC) Dr. Sandhya Tambekar organized Seminar competition on Myth and Facts of AIDS, Youth & AIDS and Prevention, Cure and Awareness about AIDS/HIV. Introductory speech on Red Ribbon Club and importance of International Youth Day was given by Dr. Sandhya Tambekar. Total twenty students participated in Seminar competition that is judged by Prof. Dharamveer Chouhan and Dr. Sneha Jaiswal on the basis of how well they understand and use a scientific approach toward AIDS / HIV awareness. The first winner of the competition was Ms. Neha Hume and Second position was held by Mr. Ashish Laddhani. Seminar competition was successfully carried out by Event organizer Mr. Darpan Chouhan, President of Red Ribbon Club Ms. Anushree Pachchhigar, Mr. Lokesh Pache, Mr. Prashant Thakare and Mr. Premlal Kawre.

At the end of the program, Coordinator of Red Ribbon Club Dr. Sandhya Tambekar expressed their vote of thanks for success of program towards the judges, participants and members of Red Ribbon Club.

Subject: Invitation as a Chief Guest for the Inauguration of Red Ribbon Club

Sir,

It is my immense pleasure to invite you to Dhote Bandhu Science College, Gondia as a Chief Guest for Inaugural Ceremony of Red Ribbon Club (RRC), a movement started by GOI for the academic year 2019-2020, on 23rd August, 2019 at 12:00 pm. The audience will also look forward to hear a small speech from you on AIDS Awareness.

Dhote Bandhu Science College, Gondia at its various science departments is charged with responsibility of training students and creating awareness in various frontline areas of importance for nation. Now, to prepare students for betterment of society, we wish to add one more program i.e. formation of "RRC" to combat the social evil HIV/AIDS, in our college. Sir, with support of your office, we have completed all mandatory tasks such as appointment of office bearers & enrollment of students as volunteers of RRC and now inauguration of "Red Ribbon Club" of our college is going to be held with the aim to make students aware about danger of HIV/AIDS and also to promote importance of voluntary blood donation, so that they can function as peer educators both inside and outside the college campus.

Looking forward to your gracious presence as a chief guest at the inaugural ceremony at our college.

Thanking you in anticipation.

Yours

Subject: **Invitation as a Guest lecturer for the** Awareness program on Causes, prevention and treatment of HIV/AIDS

Sir,

It is my immense pleasure to invite you to Dhote Bandhu Science College, Gondia as a Guest for guest lecture on Causes, prevention and treatment of HIV/AIDS under Red Ribbon Club (RRC), a movement started by GOI for the academic year 2019-2020, on **25th February, 2020 at 1:00 pm**. The students will also look forward to hear a small speech from you on AIDS Awareness.

Sir, with support of your office, we have completed all mandatory tasks such as appointment of office bearers & enrollment of students as volunteers of RRC and our college is going to be held with the aim to make students aware about danger of HIV/AIDS and also to promote importance of voluntary blood donation, so that they can function as peer educators both inside and outside the college campus.

Looking forward to your gracious presence as a guest lecturer at our college.

Thanking you in anticipation.

STUDENTS REPRESENTATION AND ENGAGEMENT IN UDDAN MAGAZINE SESSION 2019-20

UDAAN CLUB

Editor's Space

Words are not enough to express our joy and excitement while launching this annual magazine 'Udaan' for its maiden flight. With our principal Dr. Anjan Naidu's desire to provide a regular platform to our students to express their feelings and literary skills, a sincere effort was undertaken to publish annual college magazine. The students' eagerness to show it the light of the day and to let the world know their feelings, made us to give it a concrete shape. The young pupils' zeal to fly high in all directions, and due to the backing of 'UDAAN' finishing school, we christened it as 'UDAAN' a flight towards future. We hope that we will be able to stand true to this promising beginning. We express our deepest gratitude to all our contributors, students, editorial board and advisory committee.
