

Gondia Education Society's
DHOTE BANDHU SCIENCE COLLEGE, GONDIA

Dist: GONDIA (M.S.) 441614

Accredited 'A+' by NAAC, Bangalore | College with Potential for Excellence

UGC approved Community College & B. Voc. courses | Centre for Higher Learning and Research

Affiliated to Rashtrasant Tukadoji Maharaj Nagpur University | Mentor Institution Recognized by NAAC & UGC

Water Conservation

- We have efficient and very effective water distribution system in the campus.
- The rain water is collected used for recharging the bore well.
- Usage of water in campus are for Drinking, Gardening & Toilets, and Others.
- Water from two bore wells and water supplied by municipal corporation is used in campus.
- College has one rain water harvesting unit. This rain water harvesting structure support the recharge of ground water and thereby the campus gets sufficient rise in the level of ground water and for watering trees and land scape.
- There is artificial water body in premises for water storage. And the lawn and plants are watered by water distribution system. Maintenance of water bodies and distribution system is done by contract labours.

Water conservation facilities available in the institution include:

1. RAIN WATER HARVESTING

2. BORE WELL / OPEN WELL RECHARGE

3. CONSTRUCTION OF TANKS AND BUNDS

4. MAINTENANCE OF WATER BODIES AND DISTRIBUTION SYSTEM IN THE CAMPUS
