Report on Student Satisfaction Survey Session 2021-22

Students happen to be the integral part of education system and they are the important stakeholders of higher educational institution. Our college is committed to provide holistic education to our students who belong to socially and economically poor background. Nonetheless, we have state-of-arts infrastructure, competent faculties and ambience of research and we try to satisfy our students to the optimum level by standing up to their expectation. Having this resolution, we put forward Student Satisfaction Survey every year. We prepare relevant questionnaire by following the guidelines of NAAC and send it to the students in their registered email ids. The responses received from the students are compiled and analyzed as well as the report is prepared and displayed in the college website.

Instructions for the students to fill the questionnaire:

- All questions should be compulsorily attempted.
- Each question has five responses, choose the most appropriate one.

Having evaluated and gone through the students' level of satisfaction, it has been found that students have expressed their satisfaction to a large for the performance of faculties, conduction of activities and infrastructure facilities. To be specific, students have showed their content on syllabus, communication skills of teachers, internal evaluation process, promoting internship, students exchange program, field visit opportunities, mentoring process, organization of extracurricular activities, use of teachers' ICT tools and overall teaching- learning process. Hence, 80% of the students have extended their positive and satisfactory responses to almost all the points covered in the survey.
