The analysis reflects 81% of the students strongly agreed to the fact that the syllabus was explained in detailed at the beginning of the session. Most of the students were satisfied with the institutional practice of evaluation criteria for internal examination, internal assessment and practical examination. Regarding the completion of syllabus before the examination, 73% of the students agreed that the syllabus was timely completed while the rest replied neutrally. The feedback was taken five-point scale i.e., excellent, very good, good, satisfactory and average. The student feedback was satisfying with most of the students being happy about the different dimensions of the syllabus. The were convinced of the efficiency of the syllabus in meeting their employment requirements. The feedback proved the satisfaction of the students regarding the institution. A constant area which needed improvement was the timely publication of results.
