### **REPORT ON STUDENT'S FEEDBACK ON CURRICULUM**

#### Session-2022-2023

The institution collects feedback on curriculum, courses and infrastructure from students. The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance have to play a central role. From the academic year 2022-23 the college has started online feedback system. We have collected online feedback from our under graduate students and post graduate students. A special five-point scale feedback form on the curriculum is development. We have received total 650 student's online feedback on the syllabus of the various programmes designed by Dhote Bandhu Science College, Gondia.
