From President's Desk

Gondia Education Society is a pioneering education society in the Eastern Vidarbha region. 'Helping hands are better than praying lips', the pioneer of this education society, the messiah of laymen, Late Shri Manoharbai Patel sowed the seeds of education for socially and economically deprived, and educationally backward strata of the society. Established in 1958, the society has since then become the torchbearer for enlightening the importance of education and leading young minds to a new era of overall development. I am glad that Dhote Bandhu Science College is marching ahead inspired by the vision of Late Shri Manoharbai Patel. The feather on the sparkling cap of the college was added with the A+ grade in the fourth cycle of accreditation awarded by the NAAC. I congratulate the proactive principal and the members of the staff for this glorious achievement.

I would like to congratulate new entrants for selecting this esteemed institution, which I assure you, will provide you a platform where from you will embark on your first journey towards your professional career. We reiterate our commitment to the cause of creating good citizens with not just excellent knowledge, but with a keen sense of social responsibility and consciousness towards the challenges being faced by the country and the rest of the world. We have always believed that our country's youth is its greatest asset and we shall continue to nurture this valuable resource in the years to come.

In today's dynamic world, a 360° development and grooming is of supreme importance and through our campus we are creating an environment for future leaders, entrepreneurs and professionals who possess skills and aptitudes in an array of functional disciplines with the aspiration to serve the society. I am delighted that our students are getting placements in the top MNCs like TCS, Wipro, Infosys, Capgemini, Deloitte.

I assure you that the college will always act as an anchor for the students in their battle against the choppy waters.

Best wishes.....

Gondia Education Society

Principal's Desk

Dear Friends/Parents,

We welcome you to Dhote Bandhu Science College, an esteemed Centre for Higher Learning and Research. Being the head of the institution, I am immensely delighted to share with you the accomplished milestones our college has erected till date. To mention a few, affiliated to RTM Nagpur University, Nagpur, it succeeds to be accredited with A+ (CGPA-3.26) by NAAC in the fourth cycle of accreditation and consequently recognized as a mentor Institution by UGC and NAAC to steer the unaccredited colleges of Gondia and Bhandara districts to get them accredited by NAAC. Furthermore, it's to our proud privilege that our college has been participating in Unnat Bharat Abhiyan (UBA) of Ministry of Education. For all these unprecedented achievements, I would like to thank all the stakeholders of the college for their generous support and contribution.

Our quality policy is to make our college a premier institute of Higher Education and an inspiring nodal center catering to the diverse need of the student fraternity. With experienced and dedicated teachers and excellent infrastructure Dhote Bandhu Science College helps in refining the skills of students to turn them into sparkling diamonds. The success of our students is the impetus for the institution. Integrating character and creativity blended with compassion and commitment towards societal progress in pupils' personality has been the trump card of our triumph over the decades.

It is rightly said that 'Vision without Action is merely a dream. Action without Vision just passes the time. Vision with Action can change the World'. With the vision to keep our students ahead and abreast of industrial applications, we have augmented academics with industry-institute interface. As per the direction of RTMNU Nagpur our college has been introduced National Education Policy (NEP) 2020 in the academic session 2024-25 in B.Sc., B.C.A. programmes. The college is successfully running Junior College, 03 UG Programmes : BSc, BVoc and BCA, 05 PG Programmes: Physics, Chemistry, Botany, Microbiology and Computer Science. The academics of the college is enriched with Research Centre, many Job-oriented, Skill-based Courses, Training Programme and value added courses. The largest software company in Asia, TCS, which has been ranked in Forbes list of world's most innovative companies, is supporting our students to get the best career opportunity in the Knowledge Process Outsourcing (KPO) sector. We are humbly proud of the fact that our students have successfully earned placements at TCS and other Multinational Companies.

With the support of vibrant syllabus, our teachers encourage students to develop their skills and shape their future.

We, at Dhote Bandhu Science College, convey our best wishes to all the students and their parents for their future.

We welcome you again at our college & wish you a meaningful learning experience.

Best wishes.....
